Abstracts are invited for the 19th Biennial South African Society of Nuclear Medicine (SASNM) Congress taking place at the NH Lord Charles Hotel in Somerset West, just outside of Cape Town on 26 to 28 February 2021. This is an opportunity to share your work and experience with colleagues and to engage in dialogue on your topic. Our theme for the Congress will be Synergy Over Singularity, Strength in Teamwork.

The South African Society of Nuclear Medicine (SASNM) was founded in 1974. It is one of the oldest Nuclear Medicine societies on the African continent. SASNM has approximately 200 members, including nuclear medicine physicians, technologists, physicists, radiopharmacists, and scientists from various specialties. The Society aims to promote the practice and development of nuclear medicine through the accumulation and dissemination of scientific and technical information.

Acceptance of abstracts will be based on content, available space, and overall balance.

Please submit your abstract by 30 September 2020.
